

WP Series

Decorating Wall Plates for Room Thermostats

WP500-1

The WP500-1 wall plate is designed to accommodate vertical or horizontal mounting of American single-gang room thermostat onto a standard European 75x75x35 mm electrical box.

The 2.5 mm diameter holes are provided specifically for mounting the room thermostat direct to the wall plate with 3 mm tapping screws.

The 4x8 mm slots are provided for mounting the wall plate to the electrical box with 3 mm machine screws.

WP1000-1

The WP1000-1 wall plate is designed to accommodate vertical or horizontal mounting of a room thermostat onto a U.S. single-gang 2"x4" or double-gang 4"x4" electrical box or a standard European 75x75x35 mm electrical box.

The 3 mm diameter holes are provided specifically for mounting the thermostat to the wall plate with AWG #6 sheet metal screws.

The 5 mm diameter holes are provided for mounting the wall plate to the electrical box with AWG #6 machine screws.

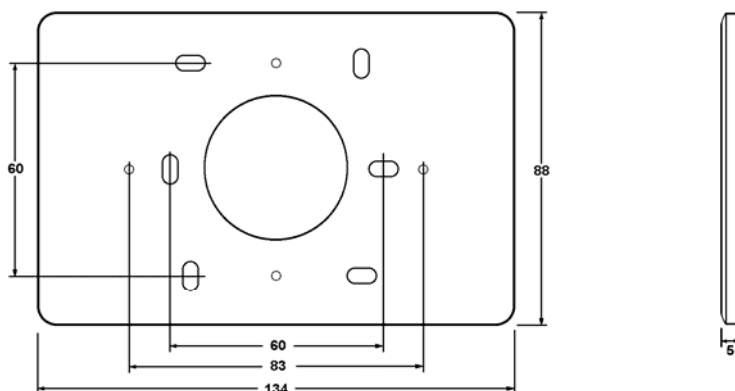

Specifications

Model Numbers	WP500-1	134 x 88 mm wall plate
	WP1000-1	140 x 140 mm wall plate
Body Material	Self-extinguishing, Molded ABS	
Finish	Off White Color	
Dimensions	See Fig. 1: Dimensions in mm	

The performance specifications above are nominal and subject to tolerances and application variables of generally acceptable industry standards. Mega Controls shall not be liable for damages resulting from misapplication or misuse of its products.
